SAMPLE HEALTH INSURANCE POLICY - RAG TEST

Fictional demonstration document. This is not a real insurance contract, quotation, or offer of coverage. All names, benefits, and terms below are invented for software testing.

Policy Overview

Insurer: ExampleCare Insurance (fictional) **Plan:** SampleCare Plus **Policy number:** DEMO-2026-001

Policy period: 1 January 2026 through 31 December 2026. **Annual sum insured:** INR 500,000. **Annual deductible:** INR 10,000.

Covered Benefits

The demonstration plan covers eligible inpatient hospital stays, medically necessary surgeries, emergency ambulance transport up to INR 3,000 per incident, and diagnostic tests ordered during an eligible hospital admission. Coverage is subject to the deductible, policy limits, and exclusions.

Waiting Periods

A 30-day initial waiting period applies to non-accidental illnesses. Accidental injuries are not subject to the initial 30-day waiting period. Pre-existing conditions have a 24-month waiting period.

Claims Procedure

For planned hospitalizations, the policyholder should request pre-authorization at least 72 hours before admission. For emergencies, notify the fictional claims desk within 48 hours of admission. Submit the claim form, itemized bills, discharge summary, and applicable test reports within 30 days after discharge.

Customer Support

For this demonstration, support inquiries may be directed to the fictional claims team through the sample application. No real phone number or email is provided.

SAMPLE HEALTH INSURANCE POLICY - TERMS

Exclusions

The following are excluded from this fictional plan: cosmetic procedures without medical necessity; routine dental treatment unless required due to a covered accident; elective vision correction; treatment related to participation in professional motor racing; and expenses incurred outside India.

Co-payment and Room Limit

The policyholder pays a 10% co-payment on each eligible inpatient claim after application of the deductible. The room-rent limit is INR 5,000 per day. Costs exceeding this room-rent limit are not covered.

Outpatient Care

Routine outpatient consultations and pharmacy purchases without hospitalization are not covered under this sample plan.

Renewal

Renewal is subject to the fictional insurer's published terms at the renewal date. This document does not specify renewal premium amounts or a guaranteed renewal price.

Important Limitations

This document does not identify any real customer, establish eligibility for an individual medical condition, or provide a final coverage decision. It does not describe maternity benefits or international travel coverage beyond the stated geographic exclusion.

Suggested Questions for RAG Testing

1. What is the annual deductible? 2. What is the waiting period for pre-existing conditions? 3. What exclusions are listed? 4. What documents must be submitted for a claim? 5. Does the document specify maternity coverage?
